Announcement

Definition of announcement According to the Collins Dictionary, an announcement is a statement made to the public or to the media that provides information about something that has happened or will happen. An announcement is a statement made to the public or the media that provides information about something that has happened or will happen.

- This information is usually written or conveyed orally in public places. This is because the information conveyed can reach many people. Announcements can also be uploaded via the internet or social media. Announcements are delivered with the aim of providing information to readers or listeners about an event, appeal, rule, incident, etc.**

Types of Announcements
